JOYCE RUOTING HUANG

Ithaca, NY | rh737@cornell.edu | +1(202) 983-3995

EDUCATION

Cornell University *Ithaca, NY*
B.S. in Design and Environmental Analysis; GPA: 3.93 Expected May 2028
Relevant Courses: Impactful Graphics, Human Centered Design Methods, History of Design Futures, Architectural Robotics, Design Graphics & Visualization, Marketing Principles, Research Methods in Human-Environment Relations

EXPERIENCE

Pluriversal Futures Design Lab, Cornell Dept. of Human Centered Design *Ithaca, NY*
Student Graphic Design & Illustration Assistant (PI: Prof. Renata Leitão) September 2026 – Present
- Create original graphics and illustrations for the lab's social media and publicity, translating research on pluriversal design and world-building into accessible visual content.
- Develop a cohesive visual style across digital channels to grow the lab's public engagement.

International Interior Design Association (IIDA), Cornell Chapter *Ithaca, NY*
Media Chair February 2026 – Present
- Selected to lead social media strategy and content creation for Cornell's IIDA chapter.

RedNote (Xiaohongshu) — L'Oréal Group *Shanghai, China*
L'Oréal Planning Intern June 2025 – July 2025
- Built a brand case study for Helena Rubinstein's Qixi Festival gifting campaign, analyzing search volume, read volume, CTR, and audience metrics from past Valentine's Day, 520, and Qixi campaigns to inform strategy.
- Designed and refined 15+ presentation decks for luxury skincare brands (Biotherm, Lancôme, Helena Rubinstein, La Mer, Carita) across seasonal campaigns, ensuring polished data visualizations and consistent brand aesthetics.
- Pulled CTR, store entry rate, and conversion data to populate slides for team reviews and client meetings.

Cornell Performing and Media Arts Department (PMA) *Ithaca, NY*
Dresser, Orlando's Gift November 2024 – December 2024
- Managed costume changes for 10+ actors across 5 performances and month-long rehearsals with zero delays, collaborating with the design team on quick-change sequences and last-minute repairs.

Independent Research Project with Columbia University Prof. Amenoff *Ithaca, NY*
Contemporary Art Exploration: Abstractionism & Realism September 2023 – June 2024
- Analyzed 20+ seminal cubist works (Picasso, Gris, Braque), studying fragmented forms, collage, and spatial ambiguity; created 6 original artworks in multiple mediums through iterative critique sessions.

China Thinks Big *Cambridge, MA*
Team Member & Visual Designer September 2022 – April 2024
- Surveyed 300+ teens and authored a 15-page research paper on adolescent intimacy intervention based on the Satir Model.
- Conducted field research at Harvard University; designed vending machine prototype for diverse dietary needs.
- Designed award-winning presentation materials, earning 1st Place in CTB Hackathon (Top 1% of 1,500 teams globally) and 3rd Place in Individual Challenge.

Art Institute of Xiaoyan *Shenzhen, China*
Student Artist July 2020 – Present
- Produced 50+ works across illustration, sculpture, and fashion; "Located Ignition" won Silver Award at Forbes China Youth Artists and was collected by organizers.
- Exhibited three artworks at Guanshanyue Art Museum (5,000+ visitors).
